PANEL ONE

Where are you?
What can you draw to show your location, environment or local landmarks?

PANEL TWO

What sustainability or environmental issue would you like to highlight?

PANEL THREE

How could this issue be solved?
What is being done, or could be done to help?

PANEL FOUR

The outcome!
How does this issue make you (or your community) feel?
What is the outcome in your community + local environment?

A comic is a sequence of panels where the words and pictures rely on each other to tell the story.
